

DAY 1

24 MARCH 2026 | WEDNESDAY

08:00 - 14:00 HRS

UAE TIME

DUPHAT

24-26 MARCH 2026

DUBAI WORLD TRADE CENTRE, UAE

08:00 - 09:15	Registration	
	Opening Ceremony	
09:15 - 09:30	Welcome Speech Opening Keynote Lecture	
	HALL A	HALL B
	SESSION: Updated paper release and guidelines in drug and disease management	SESSION: Advances in pharmaceutical industry
	Chairpersons: TBA	Chairpersons: TBA
09:30 - 10:00	Advance in drugs update and recommendation in disease management	09:30 - 10:00 Update in nanotechnology application in pharmaceutical industry
10:00 - 10:30	Emerging infectious disease and control	10:00 - 10:30 Novel drug delivery system in the pharmaceutical industry and its application
10:30 - 11:00	Innovation in regimen and patient care	10:30 - 11:00 Implementation of AI as method in pharmaceutical industry
11:00 - 11:30	Opening Ceremony for Exhibition followed by Coffee Break	
	SESSION: AI application and utilization in pharmaceutical care and method of education	SESSION: New insight in clinical pharmacy and pharmaceutical science
	Chairpersons: TBA	Chairpersons: TBA
11:30 - 12:00	Method of Use of AI as trend in pharmaceutical education	11:30 - 12:00 Novel Methods of Early Detection and prevention of disease using genome
12:00 - 12:30	Digital transformation in pharmacy profession and use of AI in patient care	12:00 - 12:30 Impact of clinical pharmacy application in different specialty in hospital
12:30 - 13:00	Automated clinical pharmacy application in patient care	12:30 - 13:00 Role of oncology pharmacy in cancer control and prevention
13:00 - 14:00	Lunch Break	
	END OF DAY 1	

DAY 2

25 MARCH 2026 | THURSDAY

08:00 - 16:00 HRS

UAE TIME

DUPHAT

24-26 MARCH 2026

DUBAI WORLD TRADE CENTRE, UAE

08:00 - 09:15 Registration	
HALL A	HALL B
SESSION: Innovative pharmacotherapy update	SESSION: Future of pharmacy practice
Chairpersons: TBA	Chairpersons: TBA
09:30 - 10:15 Advance of Effect of genomic variation in drug response and new guidelines in control	09:30 - 10:15 Use of virtual reality in hospital and application in patient care
10:15 - 11:00 Application of clinical pharmacy in Pharmacist patient centred care	10:15 - 11:00 Challenges in patient compliance and medication adherence
11:00 - 11:30 Coffee Break	
SESSION: Advance in research modality and drug discovery	SESSION: Shaping future of pharmacy profession
Chairpersons: TBA	Chairpersons: TBA
11:30 - 12:15 New research model in medicinal pharmacy and application	11:30 - 12:15 Pharmacovigilance application in drug safety
12:15 - 13:00 Practice and research network "PRN"	12:15 - 13:00 Problem solving and challenges in pharmacy profession
13:00 - 13:45 Novel drugs discovery in 2025 and future of drug discovery	13:00 - 13:45 Application of pharmaceutical biology and utilization
Lunch Break	
14:00 - 16:00 Free Papers	
END OF DAY 2	

DAY 3

26 MARCH 2026 | FRIDAY

08:00 - 16:00 HRS

UAE TIME

DUPHAT

24-26 MARCH 2026

DUBAI WORLD TRADE CENTRE, UAE

08:00 - 09:15 **Registration**

HALL A

SESSION:

Future challenges to health care system

Chairpersons: TBA

09:30 - 10:15 Drug shortage worldwide and method of control

10:15 - 11:00 Method of detection of Side Effect of drugs using machine learning and AI

11:00 - 11:30 **Coffee Break**

SESSION:

Approach of Pharmacy Practice

Chairpersons: TBA

11:30 - 12:15 Role model of community pharmacist and method of maximize benefits

12:15 - 13:00 Novel Chronic disease 2026 updates in regimen

13:00 - 13:45 Medication safety new insights

Lunch Break

14:00 - 16:00 **Closing Ceremony**

END OF DAY 3

HALL B

SESSION:

Impact of biotechnology in disease prevention

Chairpersons: TBA

09:30 - 10:15 Advance in biotechnology to face future infectious disease

10:15 - 11:00 Scope of biotechnology aspect In tumour management

SESSION:

Health care perspective

Chairpersons: TBA

11:30 - 12:15 Getting your research published in a journal

12:15 - 13:00 Pharmacoeconomic approach in pharmaceutical care

13:00 - 13:45 Public Health Pharmacy
